Dear Ahmed:

I was delighted to receive the press release announcing your appointment as Public Relations Manager for Egyptair.

In my many years of public life including several trips around the world, I have never met anyone who was a better public relations man than you. You are well posted, have a good personality and a very nice way of meeting people. I am sure Egyptair will be well served by you.

Pat and I often speak of our most enjoyable visit to Egypt made possible by you and your lovely wife. You will recall she helped me find a barber shop and I didn't know until the next day when you showed me her picture that she was your wife!

Pat and I extend warm greetings to you both.

Sincerely,
