Dear Mr. Talaat.

Bakri wrote to me that your Wife has been ill and in the hospital. I am indeed very sorry to read that and wish her a speedy and complete recovery. I wish you both a very long life of happiness.

The Minister of Tourism wrote me a very kind letter saying that all my problems have been arranged. Al Hamdoulilah!

I do not know how to thank you for all your help in these different matters. It was, indeed, most kind of you.

After having had a long and necessary rest in the Caribbean Islands, I am going to the States to consult some Doctors, but although my health has improved a little bit, I do not think that they will be able to do more for me than the Europeans Doctors.

Si Dieu me prête vie, I hope to spend the next winter in Aswan, Incha Allah!

Again all my warmest thanks, with my kindest regards to you and your Wife.

Most Sincerely yours
Omth. agakhay
