

## GUEST FROM EGYPT

A recent guest at the home of Mr. and Mrs. Charles Oliver was Ahmad M. Talaat, Department Director for Public Relations High Dam Ministry, of Aswan, Egypt, (UAR) since 1963. He is a participant in the International Visitor Program, Bureau of Educational and Cultural Affairs, U. S. Department of State.

Mr. Talaat, arrived here on February 14, for his first visit to the United States and will be traveling around the States to various places until June 14, 1966.

The dam project he is working on will be for electrical power and irrigation for the land to feed his people. This dam will be the largest in the world.

A special desire of Mr. Talaat's, was to visit a town meeting in a small community and visit the polls for the elections.

While at the home of the Oliviers, he and Charles Olivier journeyed to Littleton to see the dam in that area and also see the beauty of our state to tell his countrymen about.
